Dear Dr. Joffe:

Thank you for your note confirming your participation in the April 5-6 conference on Europe in the Eighties. Your suggestion that speakers provide discussants with a brief outline of their planned remarks is one which we also believe would be helpful. In this regard, we intend to distribute shortly a more up-to-date agenda with the request that each speaker provide us with a 2-3 page outline of his remarks, which we will then provide to you and other panelists prior to our meetings.

Sincerely,
